

Promo Pass Policy

Promo passes are offered by the Chaska Figure Skating Club (CFSC) to allow skaters an introduction to the club and club ice practice sessions.

1. Promo passes are intended for skaters at a beginning skating level.
2. Skaters may purchase unlimited 5- or 10-session promo passes in a quarter.
3. Promo passes must be used during the skating quarter in which they are purchased.
4. Promo passes may be purchased for a maximum of 2 skating quarters, after which a skater must contract for ice. If the circumstances are such that a skater wishes to purchase promo passes for more than 2 skating quarters, their CFSC Coach may submit a request for an exception to the CFSC Board for the board's review. The request can be submitted by sending an email to the club email stating the skater's name and the details of the request for the exception. ****Please note, board meetings are held on the 2nd Tuesday of each month, unless otherwise communicated. Please plan ahead and submit the request before the end of the 2nd quarter.**
