

Berrit Johnson

I have been skating since I was 7 as an Individual member of USFS in Eden Prairie. I competed for a couple years between ages 7-10 at local competitions and later made ice dancing my main focus. I have passed my Gold test in Moves in the Field, Solo Ice Dance, Solo free dance, and have completed a few of my partnered Ice Dances. Through Normandale Community College I completed an Exercise Specialist Certificate.

Under mentorship from Stan Houston I started coaching in 2018 here at the Chaska figure skating club. I coach mainly moves in the field, beginning ice dance and free skate. I enjoy working with all ages and abilities and want to share the joys of figure skating with all of my students.
