Skating Recommendations/Requirements

How Many Sessions to Contract:

The goal and purpose of our club is to encourage the instruction, practice, and advancement of our figure skaters. With that goal in mind, below is a “rule of thumb” chart for the amount of ice sessions an average skater could contract to advance to the next test level:

- **Skate School/Freestyle Levels:** 2 to 3 programs/week(includes skate school)
- **Pre-Preliminary:** 3 to 4 programs per week
- **Preliminary - Pre-Juvenile:** 4 to 5 programs per week
- **Juvenile to Senior:** More than 5 programs per week

Ice Show Qualification:

Skaters must contract to skate **at least** 30 sessions per quarter to be eligible for a solo, duet or trio in the annual ice show. See the handbook for full eligibility information.

Lettering:

Skaters wishing to letter must skate a total of 150 hours per school year (June 1 - May 31). Other requirements are listed in the lettering packet.

Rink Monitoring:

Rink Monitor sign-up will be done through Sign-up Genius. All contracted families (including Home Club, Aspire Introductory, Aspire, Associate, Reciprocal, Collegiate, etc.) will have a rink monitoring requirement. The number of sessions will be detailed on the Rink Monitor Sign-up information that will be sent out before the registration opens.

If you cannot rink monitor, or choose not to, you may buy out of your rink monitoring duties. There is an initial fee for the first skater in a family, and an additional fee for each additional skater in a family. The fees are as follows:

- For those whose rink monitor requirement is 5 or more sessions, the buy-out fee is \$120 for the first skater, and \$20 for each additional skater in a family.
- For those whose rink monitor requirement is 3 or 4 sessions, the buy-out fee is \$60 for the first skater, and \$20 for each additional skater in a family.
- For those whose rink monitor requirement is 1 or 2 sessions, the buy-out fee is \$40 for the first skater and \$20 for each additional skater in a family.

If you are going to buy out but do not register for the buy-out fee you will be billed.

Assigned rink monitors who fail to show up and don't arrange for coverage will automatically be billed \$15 for each session missed. If you miss 3 or more rink monitor shifts, or all of your rink monitor shifts if your requirement is only 1-2, within the same contract period, you will be assessed the full buy-out fee for that quarter.
