

LorRae Portner - USFS and PSA Coach welcomes working with skaters of all ages, abilities, and goals. She specializes in Skating Skills, Freestyle, Dance, Choreography and Theatrical skating.

LorRae is a member of the Professional Skaters Association (PSA), she completed the Foundations of Coaching course with PSA and is a member of U.S. Figure Skating (USFS). She most enjoys working with skaters that desire to find their place on the ice, love to perform or enjoy the sheer movement across the ice. Her goal as a coach is to help each skater develop self confidence and discover their joy of skating through gaining skills and creative movement.

She began skating at 9 years old at a time in her life when she needed an emotional outlet for expression. LorRae fell in love with the ice instantly and the voice it gave her; it also connected with her competitive spirit. LorRae is a USFS 3-Time Competitor at National Showcase, in 2023 she earned the title of National Bronze Medalist in Lyrical Pop. She has skated with Minnesota Ice Theatre for three years. She is a member of the Senior Performing Company-Tier A with American Ice Theatre and has completed the Master Choreography Techniques certification. She also qualified for the National Solo Dance Series in 2021. She has achieved her gold test in skating skills and is working toward finishing her gold tests in freestyle, partnered pattern and free dance, solo, and pairs. LorRae continues to grow her skating and education through testing, competitively skating and attending coaching education seminars and camps.

In addition to her skating and coaching background, LorRae is attending Southern New Hampshire University Online for a Degree in Marketing. When she is not at the rink, she enjoys time with her dogs, exploring art, sewing and designing skating costumes, listening to music and spending time with family.
