

Stephanie Coe - USFS and PSA Coach

Specializes in Competitive (IJS), Excel, and Recreational skaters of all ages, Moves in the Field, Power, and Off-Ice.

Stephanie is an experienced figure skater and coach with over 18 years of competitive skating experience. She is a rated member of the Professional Skaters Association (PSA) and a member of U.S. Figure Skating (USFS). Stephanie has competed extensively across the U.S. and Canada. She has achieved her gold-level tests in freestyle, moves in the field, and solo free dance.

Stephanie has over 7 years of private coaching experience and counting! She has worked as a professional skating instructor in both Minnesota and Washington. Her specialties include moves in the field, freeskate, and power skating. She has coached students of all ages and levels and is dedicated to helping skaters achieve their goals both on and off the ice.

In addition to her skating and coaching background, Stephanie graduated from Gustavus Adolphus College in 2020 with a Bachelor of Arts degree in Nursing. She is currently a pediatric oncology and bone marrow transplant nurse at the University of Minnesota Medical Center. Despite her busy schedule, Stephanie continues to grow her skating and coaching education through seminars and camps she attends.
